-Supervisor Wilson thanked Terry Briggs and Jim Borza for helping with the Road Cleanup.

-Supervisor Wilson explained that there was a major issue on Grant Road and EQT has most generously offered to pay for the repair and that EQT has already paid to put some steel plating in to temporarily fix the problem until they do the repair. Wilson said that this should save the township around \$50,000.

-Supervisor Wilson stated that the garbage contract will be up at the end of June 2024 and they will be working on seeing what the best deal will be after the contract ends.

-There were no questions regarding the Road Master's Report.

-Bob Davis provided everyone with a School House Fund update and explained how beneficial the School House Fund is to help keep burden off of tax payers.

Township Public Forum Bob Davis said that we should look into getting the tennis court fixed up as it is often used and enjoyed by many and it needs some updates. Bob Davis also asked the supervisors if anyone was working on looking for grants for the township.
