Winslow Hill Road near Devil's Elbow requires ditch maintenance. It is interfering with a private driveway.

The Supervisors have not met on selling the 2nd Street Garage and other two properties yet. The appraisals were just recently returned.

There was not a spring clean-up this year because only two people showed up last year. There may be a clean-up scheduled later.

The May 17th Elk County Riders ATV ride was permitted allowing the ride on state roads prior to Memorial Day. The riders were provided with a map and were responsible for staying on the legal roads.

There is a safety concern with the water and ice that runs across the road at Rock Hill Road. There are dead ash trees along the road in Medix that are hanging over the guide rail. Wendy will reach out to PennDOT about the water issue near Rock Hill and the dead ash trees at Medix.
